Beneficiary Designation	<p>Life Insurance Benefits will be paid in accordance with the Life Insurance Beneficiary Designation. If no beneficiary is named, or if no named beneficiary survives the employee, Hartford may, at their option, pay 1) the executors or administrators of the employee's estate; or 2) all to the surviving Spouse; or 3) if the Spouse does not survive the employee, in equal share to the surviving Children; or 4) if no child survives the employee, in equal share to the surviving parents.</p> <p>The employee may designate or change a beneficiary by doing so in writing on a form satisfactory to Hartford and filing the form with the Employer. Beneficiary designations will become effective as of the date the employee signed and dated the form.</p>
Conversion	<p>Employee's have the option of converting their and their dependents' group Supplemental Life Insurance to an individual policy. Employees can contact Hartford's Conversion Department for policy or rate information at 1-877-320-0484.</p>
Portability	<p>For former employees, Portability is an option that allows them to continue the Life insurance coverage. To be eligible, they must terminate employment prior to Social Security Normal Retirement Age. This option allows the former employee to continue all or a portion of the Supplemental Life Insurance coverage under a separate Portability term policy. Portability is subject to a minimum of \$5,000 and a maximum of \$250,000. To elect Portability, they must apply and pay the premium within 31 days of the termination of the Supplemental Life Insurance. Evidence of Insurability will not be required. Employees can contact Hartford's Portability Department for policy or rate information at 1-877-320-0484.</p>
Living Benefits Option	<p>If employees are diagnosed as having a terminal illness with a 12-month life expectancy, the Living Benefits Option allows them to receive an accelerated payment of a portion of the life insurance. The option is available to individuals with at least \$10,000 in group coverage from Hartford Life and is subject to a maximum age limit of 60. They may request a minimum accelerated payment of \$3,000 up to a maximum of 80% of your coverage. Funds are paid directly to them, with no policy restrictions on how to use them. The remaining benefit is then payable to the beneficiary. They would need to complete the Accelerated Death Benefit form.</p>
Waiver of Premium	<p>This provision applies if you become totally disabled before age 60 and your disability lasts for at least 6 months. You must provide proof of your condition within one year of your last day of work and once we approve, your coverage will continue without payment of premium up to Social Security Normal Retirement Age, as long as you remain totally disabled. The premium for your dependent's coverage will also be waived if you are disabled and approved for waiver of premium. Coverage for your dependents will end if the policy terminates. Payment of premium is required until waiver is approved by Hartford Life.</p>
Limitations and Exclusions	<p>As is standard with most term life insurance plans, death by suicide is covered only after the employee has been insured for one year. Therefore, if death results from suicide, no benefit will be payable for any Supplemental Life coverage that became effective within one year of the date of death. Other exclusions may apply depending upon your coverage. Refer to your policy.</p>
