

Queen of Peace Center Nurse Manager

Queen of Peace Center is a proud member of the 1,500 Associates of Catholic Charities of St. Louis. Since 1985, Queen of Peace Center has provided compassionate clinical and behavioral healthcare for tens of thousands of women and their families challenged by substance use, homelessness, and trauma. We are vital to our community.

If you are motivated by being our subject matter expert, you will be well suited as our **Nurse Manager**. This full-time position allows the autonomy to apply your expertise and gifts, provide advice and counsel, and create immediate and long-term excellence in our care delivery programs.

POSITION:

1. Registered Nurse comfortable toggling between managing, mentoring and direct patient assessment and care
2. Subject matter expert in developing excellence in care delivery, programs and protocols
3. Active consultation and partnership with medical providers to advise clients of the most appropriate action; reinforce provider plan of care
4. Assessment and intake experience coupled with ongoing assessment, education, and support of clients in all phases of treatment
5. Leadership and management regarding recruitment and selection, mentoring, problem solving, performance evaluation and similar supportive initiatives; close collaboration with Senior Leadership and peer colleagues

QUALIFICATIONS:

1. Minimum: Associate of Science in Nursing and good standing by State Nursing Board
2. Preferred: Three years' nurse management and continuous improvement experience
3. Preferred: Medication Assisted Treatment and substance use knowledge
4. Desire to lead, transform and shape clinical model and best practices

OUR PROMISE:

1. Excellent salary, benefits, and paid time off
2. Leadership that is committed to self-care
3. A fun, inspired, and resilient team of associates and colleagues
4. Work that will make a difference in the lives of those we serve!

Interested candidates should submit cover letter and resume to asimpson@ccstl.org
