

Saint Louis Counseling

Trauma Informed Program Coordinator

As a member of the Federation of Catholic Charities of St. Louis, and guided by the teachings of Jesus Christ, Saint Louis Counseling supports healing and improved mental health for families and children of all backgrounds through professional counseling and psychiatric services.

A Trauma Informed Program Coordinator is required to provide therapy in order to improve quality of life and well-being of the individuals, families, and couples in the community; carry selective administrative assignments when needed; carry assignments in community work, related to some specific work of the Agency when needed; and participate in studies of particular problems for casework practice. Candidate is responsible for coordinating Trauma Focused Programming agency-wide, and provisions of Trauma Informed Focused Services to staff and clients.

Completion of Master's degree in Social Work or Counseling from an accredited school; Licensed in Social Work or Counseling or working toward licensure; maintains an active interest in the field and participates in local, state or national professional organizations.
